

LIVING

IN BABYLON

A stylized, golden-colored lion's head is positioned on the left side of the image. The lion's mane is depicted with several pointed, flame-like shapes. The background is a dark grey with a fine, grainy texture.

DANIEL CHAPTER 2

"A TROUBLING DREAM"

A stylized, high-contrast illustration of a lion's head in profile, facing left. The lion is rendered in gold and black, with a textured, almost metallic appearance. The background is a dark, grainy grey.
